As a member of this family line, I repent for all of those who suppressed the truth by their wickedness.

I repent for all those who, although they knew God, they neither glorified Him as God nor gave thanks to Him because their thinking was futile and their foolish hearts were darkened.

I repent for all those who became fools and exchanged the glory of the immortal God for images made to look like mortal man, birds, animals, and reptiles.

I repent for the sinful desires of my ancestors' hearts who gave their hearts to sexual impurity for the degrading of their bodies with one another.

I repent for all those who exchanged the truth of God for a lie, and worshipped and served created things rather than the Creator, Who is forever praised.

I repent for the shameful lusts of my ancestors, and for the women who exchanged natural relations for unnatural ones.

I repent for the men in my family line who abandoned natural relations with women and were inflamed with lust for one another, men who committed indecent acts with other men, and received in themselves the due penalty for their perversion.

I repent for those who did not think it worthwhile to retain the knowledge of God, and therefore, they were turned over to a depraved mind, to do what ought not to be done.

I repent for all those who have been filled with every kind of wickedness, evil, greed, and depravity, and for all those who were full of envy, murder, strife, deceit, and malice.

I repent for all those who were gossips, slanderers, God-haters, insolent, arrogant, and boastful, for all those who invented ways of doing evil, who were disobedient to their parents, who were senseless, faithless, heartless, and ruthless.

I repent for those who although they knew God's righteous decree that those who do such things deserve death, they not only continued to do these very things but also approved of those who practiced them.
